2018 PLAB 26

Appellant – Nova Gas Transmission Ltd., **Operator** – Alberta Transportation, **Location** – near Conklin in the Regional Municipality of Wood Buffalo, **Type of Appeal** - Discontinuance

A Notice of Appeal was received on February 16, 2018 from Nova Gas Transmission Ltd. with respect to the January 3, 2018 decision of the Director, Alberta Environment and Parks, to grant the approval of Registered Roadway Application (RDS) 140034 to Alberta Transportation in relation to lands located at N ½ 2-77-8-W4M. Nova Gas requested the Director's decision to grant the RDS be overturned.

On February 27, 2018, the Board wrote to the Appellant, Alberta Transportation and the Director acknowledging receipt of the appeal.

The Board began processing the appeal when on April 30, 2018, the Board received a letter from Nova Gas requesting an extension of time to provide mediation dates as Alberta Transportation and Nova Gas were in discussions. Regular status reports were provided and on June 26, 2018, Nova Gas withdrew their appeal. Based upon the withdrawal of the appeal by Nova Gas the Board discontinued its proceedings and closed its file in this matter on June 27, 2018.
