2019 PLAB 2

Appellant – 1218716 Alberta Ltd., **Operator** – 1218716 Alberta Ltd., **Location** – Regional Municipality of Wood Buffalo, Alberta, **Type of Appeal** – Discontinuance

A Notice of Appeal dated March 2, 2018 was received from 1218716 Alberta Ltd., on March 15, 2018. This appeal is with respect to the February 6, 2018 decision of the Director, Alberta Environment and Parks (AEP), to refuse an application from 1218716 Alberta Ltd. for Surface Materials Exploration Lease SME 120184.

The Board received correspondence from AEP disagreeing with the determination that the Notice of Appeal was served within the statutory timeframe set out in section 217(1)(a) of the Public Lands Administration Regulation. A written submission process was set to provide the Appellant and AEP an opportunity to provide submissions as to whether the Board should reverse its March 19, 2018 decision to accept the Notice of Appeal. On November 1, 2018 the Board issued its Decision denying AEP's motion to dismiss the Appellant's appeal.¹

In consultation with the participants, a mediation meeting was held on January 15, 2019. As a result of the resolution reached at the mediation meeting, 1218716 Alberta Ltd. withdrew their appeal. The Board discontinued its proceedings and closed its file.
